INTEGR8
GROUP

An enormous amount of money is spent on ICT equipment and services. It makes sense then for the procurement function to shift from being primarily a tactical function to a strategic function that can contribute real, measurable value to the business.

Outsourcing your procurement to Integr8 allows you to benefit immediately from experienced procurement specialists support. This avoids the creation of an internal team with the associated skills and the required time for that team to structure itself, its processes and its expertise.

INTEGR8 PROCUREMENT
IS A STRATEGIC
PART OF THE
INTEGR8
GROUP'S
OFFERING

Integr8 manages the procurement process from start to finish and has access to a large selection of the finest ICT products available from across the globe.

All products are thoroughly tested before arriving at a customer's offices and even our delivery is guaranteed. Because we buy in quantity and have negotiated the very best price available, we can pass our savings on to our customers, ensuring you get not only the best equipment for your particular requirements, but that you get it at the most attractive prices. We also ship to any African destination so we can service even your most remote
